

# Whistle-Blowing

The Avocet Trust takes Whistle-blowing very seriously which is why every member of Avocet Staff is given a personal copy of Avocets Whistle Blowing Policy.

We want to hear from you if you are concerned about the care or support our residents receive.

You must always take action in the best interest of clients in such circumstances.

This process can be conducted confidentially, i.e. if you don't want to give your name, you can report a concern anonymously.

You can either contact:-

The Avocet Chief Executive on: **01483 329226**

Sue Baker (Avocet Trustee) on: **07957288104**

Alternatively you can ring:

The Care Quality Commission on: **03000616161**

Hull Safe-Guarding for Vulnerable Adults: **01482 616092**
