

Whistleblowing Procedure

WHISTLE-BLOWING

The Avocet Trust takes Whistle-blowing very seriously which is why every member of Avocet staff is given a personal copy of Avocet Whistle Blowing policy.

We want to hear from you if you are concerned about the care or support our residents receive.

You must always take action in the best interest of clients in such circumstances.

This process can be conducted confidentially, i.e. if you don't want to give your name, you can report a concern anonymously.

You can either contact-

The Avocet Chief Executive on: 01482 329226

Sue Baker (Avocet Trustee) on: 07957 288104

Alternatively you can ring:

The Care Quality Commission on: 0300016161
