

Marfleet Lane

Residential Service

Avocet Trust is a registered charity that provides lifetime support to vulnerable people to enable them to live fulfilled & valued lives through making personal choices

Service Description

Here at Marfleet Lane, the service consists of two purpose-built bungalows. One has three bedrooms and the other has four bedrooms. The décor in the homes has been chosen in collaboration with the clients and is modern and fresh. Marfleet Lane is close to all local amenities and offers a wide range of community-based activities. This service has been fully adapted for physically disabled clients with overhead tracking hoists and high/low baths.

Support

Avocet Trust provides fully trained support staff for its clients, ensuring that they experience the highest possible quality of life and fully develop their potential. This is realised by continually reassessing the needs and abilities of all Avocet clients and by offering both opportunities and choices, supported by well trained and professional staff.

We do this by using a person-centred, problem solving approach to make dreams come true. We enable choices to be made by regularly listening to and communicating with the individual and their stakeholders. We value, train and support our staff to enable them to develop their skills.
