Residential Service

Avocet Trust is a registered charity that provides lifetime support to vulnerable people to enable them to live fulfilled & valued lives through making personal choices

Service Description

Here at Saltshouse Road, we offer residential care 24 hours per day. The service consists of three purpose-built bungalows. Two of the bungalows have three bedrooms and one has two bedrooms. The décor in the homes has been chosen in collaboration with the clients and is modern and of a high standard. The service is situated close to all local amenities and we

support our clients in a wide range of community-based activities.

Some of our clients choose to have pets, such as cats and fish, making the Saltshouse Road service a much more homely environment.

Support

We provide care using a person-centered approach, and the staff teams focus upon following O'Brien's Principles. This enables service users to live fulfilling lives in a community-based environment and to make choices in their lives.

Each service user has a structured activity plan.

Social activities are planned on an individual basis, taking into account the service user's own needs, interests, likes and dislikes.
