MATTHEW'S ENTERPRISE NEWSLETTER

In this issue:

- A word from Mark Clarkson, Deputy Manager of Matthew's Enterprise
- Protective face visor production
- Meal deliveries
- Arts & Crafts project update

A Message From Mark

It has been five weeks since we last saw you at Matthew's Enterprise. We are missing you and hope you are all keeping well.

Our priority is to keep you and your family/carer safe. This means we cannot reopen at the moment, but we hope to open as soon as we can.

We know this is a difficult time for everyone but we need you to stay positive, keep active and help your family and/or carers as much as you can.

As you know, we are keeping in touch with you individually regularly and we will keep you posted as the situation develops.

Stay safe.

We are joining in a national effort to manufacture protective face shields in these unprecedented times of the COVID-19 virus

Protective Face Shield

This product is designed to be only a short-term arrangement to address the shortage of supplies that hospitals and other health and care systems are currently facing.

This product must only be used by the person issued with the face shield and must not be used by a second person.

This product it is **not tested** in any way, but offers some protection compared to not wearing anything at all and ideally should be used in conjunction with a paper mask across the mouth and nose.

In no event shall the company be liable for any direct, indirect, punitive, incidental, special consequential damages, to property or life, whatsoever arising out of or connected with the use or misuse of this product.

Arts & Crafts Project Update

Matthew's Enterprise has developed some arts and crafts boxes, which we had intended to deliver to students this week. However, due to the lack of clarity regarding how long Coronavirus can live on surfaces, we have decided to isolate the boxes for a period of time prior to delivery. We will update you on this in due course.

In the meantime, we will be offering some online games and activities for you to join in on. These will be available via Facetime, WhatsApp and Messenger and we will let you know via telephone calls and Facebook when these will take place.

Emergency Food Assistance

Sharon, our Cook at Matthew's Enterprise is preparing home cooked meals and puddings that will be frozen and delivered to those who need them in Hedon, Preston and the surrounding villages in conjunction with the HEY Smile Foundation programme.
